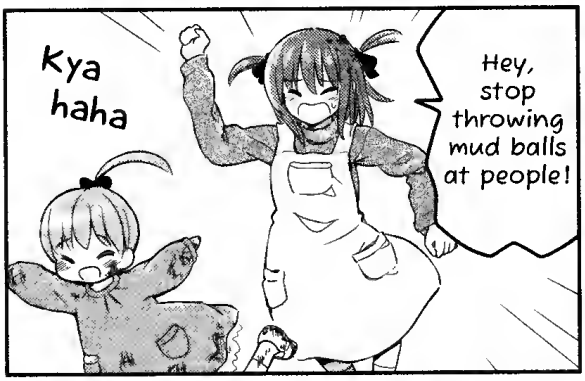
Kyah!?

『So you are a pro.』



Hey, stop throwing mud balls at people!
Kya haha

Those kids don't wait to pick on you.
Yoriko-sensei.

Kinder-garteners are still too young for this.

Sensei, that's one huge and beau-tiful mud ball!

I wonder why children like mud so much...
Ahaha
So do I...

Hey, Mom...
Hm ?
Oops.
I didn't mean to say that...
Regardless, 『it would be』 worrying.

Uzura-chan fell asleep too...
Now every-one is sleeping then.
『I love this moment.』
This silence... It's like from a different world.
And just a while ago, it was so noisy...
It's like a world with just the two of us...
SFX: intense, badum badum

She's going to be late today it seems.
I don't wanna wait!

Let's watch Yuri-banman together and wait!
I think your mother would be happier if you waited like a good girl...
Sasa-chan...
What should we do ...?
Leave it to me.
Yoriko-sensei's ability to meet the child's prespective is quite something.
Yeah ...
Right?

SFX: hah haah
